

COMMERCE CLUB ACTIVITY REPORT 2017-2018

1. VISIT TO SEBI (20-10-17 TO 21-10-2017)

The commerce association, Mannaniya college of arts and science successfully planned and executed a trip to SEBI office Kochi from 20-10-2017 to accomplish academic purpose. The group consisting of 44 students and 3 faculty members. The group started their journey on 20th October 2017 at 6 am. The group had their breakfast at Ochira. The enthusiastic students reach SEBI at 11am, where the group was exposed to an excellent class from Zereena madam. In that class everyone learned about the evolution of SEBI, topics like financial securities and market, online trading, investment plans etc. After the class, Anandhu Mohan of 3rd year TTM delivered the vote of thanks. Then the group went to Marine drive for an exciting boating trip. It was a wonderful experience for everyone as many of them get an opportunity for boat travelling for the first time. Two hours were spent enjoying the boat ride. Then as per the schedule, the next event was the Kochi Metro trip at 5pm. Aseem sir gave direction for making the journey a pleasant experience. It was an incredible experience for everyone. After completing the Metro journey, it was decided to visit the Lulu Mall at 8pm. Lulu Mall provide us a taste of luxury life and experience. Then they watched a heart touching

movie "Udhaharanam Sujatha". It was a nice movie showing the deep relationship between a hard working mother and her daughter. The film was finished by 12pm and it was the time to say goodbye to Lulu mall for giving a wonderful experience. All of them came back to Mannaniya college at 6am on 21-10-2017. It was an enlightening experience to be cherished always in everyone's college life.

Industrial Visit Report

As part of final year Degree Tour Programme, The team visit Tea Factory, Dodabetta, Ooty on 10/02/2018. The team consists of 29 students and 3 teachers. It was a nice experience for the students as they can learn various routine activities in a factory.

The Officer in the factory has given a brief description about the production process in our native language. He also explained the marketing strategies adopted by them.

The production process divided into two processes. In the first process the tea leaves collected were dried, and in the second process, leaves converted in to tiny particles. Finally the finished goods were packed and sealed in different batches such as Cardamom Tea, Chocolate Tea, and Strong Tea etc. When we complete our visit, The Officer gave us the Industrial Visit Certificate.
