

Mannaniya Creativity Hub

Activity report 2017-18

Mannaniya creativity hub started on September 2017, is aimed at the holistic development of students. A counselling centre, A section in library with more than 400 personal growth books, a reading corner and a video hub are functioning in creativity hub. A lot of creative activities and skill development programs were organised such as seminars, quiz completions, elocution contests, debates, day observances, photography contest, English speaking course, pre-marital counselling course, peer counsellor course, publishing books, manuscript magazines etc. We are also extending our services to the community

Book release & Creativity hub inauguration

Released a book (with ISBN) named “ChernnuNadakkamoppamValaram(book based on positive psychology- Forty students written their changes happened throughout a year with the influence of positive psychology workshops.

Scholarship help desk

A team of three students offered all sort of services related to scholarship online applications. This is much helpful for the students because they can apply for scholarship very easily and with a nominal amount. In outside computer centre, the cost will be high and they have wait for long time. Students can book help desk services in the morning, the help desk members allot time for the them as per the free time.

5 O' Clock Club

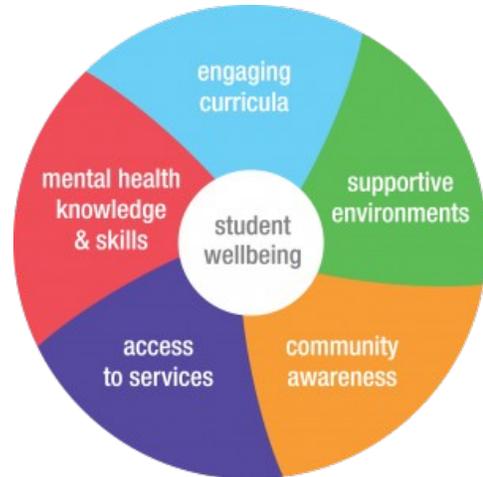

A group of thirty students who wake up 5 O' clock in the morning and phone the group members in a circular chain. The members of the club will utilize the fresh morning time for creative endeavors. The team members meet arranged every week for the successful implementation of the programme.

‘EMPOWER’

‘EMPOWER’ is a school based behavioural and mental health service that collaborates with school-personnel to combine academic, behavioural and mental health supports to students in an effort to increase the likelihood of providing access to and benefits from mental health interventions. We are facilitating a range of evidence-based mental health interventions in schools of south Kerala. We aim to address the significant gap between students who need mental health support, and the students who actually receives it.

Our services

- **Counselling camps:** - We undertake counselling camps in schools by identifying and supporting students in need. We provide Counselling and psychotherapy for child & adolescent issues, learning disabilities, study problems, relationship & family issues, experience of abuse & neglect, anxiety, depression etc.
- **Psychological testing** :-self-realization through psychological testing such as Intelligence Quotient (IQ), Emotional Quotient (EQ), Personality, Attitude, Aptitude tests etc. Aptitude test is a standardised test designed to predict a student's innate abilities and potentials. This will be highly beneficial for the accurate selection of higher studies and career options.
- **Wellness programs:** - Academic and personal enrichment through training programs, activity oriented sessions, leadership camps and workshops. We design and conduct empowerment workshops based on positive psychological themes for the development of students, teachers and parents.
- **Educational Consultancy services:** -We identify the students need through assessment and implement changes in the curriculum based on where the students need to place more emphasis, surveying students to change programs or curriculum, monitoring the teacher's method of instruction and designing new training programs for improvement

Butterfly workshop

Butterfly workshop is a adolescent empowerment programme for the skill development and attitudinal change of the adolescent population
