‘EMPOWER’

‘EMPOWER’ is a school based behavioural and mental health service that collaborates with school-personnel to combine academic, behavioural and mental health supports to students in an effort to increase the likelihood of providing access to and benefits from mental health interventions. We are facilitating a range of evidence-based mental health interventions in schools of south Kerala. We aim to address the significant gap between students who need mental health support, and the students who actually receives it.

Under this scheme we conducted many counselling sessions in Mannaniya Banath Yatheemkhana, it’s a girls orphanage situated in Mukkunnam, Kadakkal. We also provided skill development training (Flower making, ornament making)to the students of orphanage by our students.
