Activity Report 2019-20

Inauguration of Chemistry Association

The inauguration of Chemistry Association for the year 2019-20 was held on 22/11/2019 at the Seminar Hall, Mannaniya College of Arts & Science, Pangode. The inaugural Session started with a prayer song by the students of II B.Sc class. Dr. Mercy Raj C, Associate Professor and Head of the Department of Chemistry delivered welcome address. In her address, she welcomed all participants including the resource person, Principal , teachers and students of Mannaniya College to have a fruitful deliberation and interaction on the subject of Serendipitous Discoveries in Chemistry. Dr. P Nazeer, Principal, Mannaniya College of Arts & Science delivered the presidential address. He underlined the importance of organizing these kinds of seminar where direct interactions of students with resource person who are expert in their field and can clear many doubts in chemistry are possible. He also thanked Dept of Chemsitry for organizing the seminar. Dr. Ajaya Kumar G, Assistant Professor, Dept of Chemistry, Govt College for women was the Chief Guest . He formally inaugurated Chemistry Association and gave an awareness about the different programmes that can be conducted in each year. Dr. Parameswaran Ashok Nair; HOD of Mathematics, Dr. M.S Noufal ; HOD of Malayalam and Sri Junaid A, Superintendent , Mannaniya College felicitated the gathering.

Dr.Ajaya Kumar G Inaugurating Chemistry Association

After the inaugural session, our Principal in charge handed over a memento and a certificate of citation to the Chief Guest. Dr. Shiji Fazil , Assistant Professor of the Department of chemistry casted vote of thanks to the resource person for his valuable talk and the students for their full cooperation for making the programme a grant success. The inaugural Session ended with the lunch break at 12.40 PM

Honouring the chief guest, Dr. Ajaya Kumar G, Assistant Professor, Dept of Chemistry, Govt College for Women, Thiruvananthapuram by our Principal

ONE DAY SEMINAR ON SERENDIPITOUS DISCOVERIES IN CHEMISTRY

Department of Chemistry in association with IQAC, Mannaniya College of Arts & Science, Pangode organized a one day seminar on 22/11/2019 which focuses on the topic of “Serendipitous Discoveries in Chemistry” . Some scientific discoveries come about after painstaking, goal-oriented lab work finally yields the result that a researcher is trying to find.

But many of the most incredible discoveries in world came about when someone found something they weren't looking for. In some cases, these are the result of a true accident. Lucky accidents have allowed people to discover unexpected but useful side effects from drugs

In the technical session of the seminar started at 10.45 A M , the resource person, Dr. Ajayakumar G, Assistant Professor, Dept of Chemistry, Govt College For Women, Thiruvananthapuram had delivered a lecture on various accidental discoveries in Chemistry. He presented the topic in a simple and interesting manner after demonstrating some experiment.

Invited Talk by Dr. Ajayakumar G

After the tea break at 12.15 PM , an oral paper presentations on the seminar topic were conducted by the students. Dr.Siyad U, Assistant professor, Dept of Chemistry, Mannaniya College chaired the session. Ten students from the Department of Chemistry, Mannaniya College participated in the oral presentation contest. They were Najiha R, Shabna S, Shahnamol A S, Nauja Jaleel Shamnar, Shabana S and H M Tholhath of II B.Sc and Azif Muhammad A, Nowfal S, Jasmin S and Aswathy.J.P (III B.Sc).All the students participated with great anticipation and made the day great. Miss Nouja Jaleel Shamnar from II B.Sc Chemistry secured the first position and Jasmin S from III B.Sc won the second prize for oral presentations. Winners were awarded with cash prize.

SCIENCE QUIZ COMPETITION

To test the knowledge of the students beyond academics, a science Quiz competition was organized by the Department of Chemistry for the students of Mannaniya College in the College Seminar Hall on 22nd November 2019 after the lunch break at 2.00 PM. The Quiz master was Azif Mohammad , III B.Sc. Students of the Department of Chemistry, Dept of Commerce and Dept of Islamic History participated in the quiz competition. A screening test was conducted and the five top scoring teams were selected to participate in the final Round. All the five teams participated enthusiastically and the final Quiz round came to an end with Team E (Anand and Althaf, III B.Sc) emerging as the winner. They won the final round with 35 points. The first runner up was Team A (Noufal and jasmine, III B.Sc) with 30 points and the second runner up was shared by two teams B & D (Aswathy J P and Soumya, III B.Sc) and (Abdul Fathah, III B.Sc and Mubarak III B.A) with 20 points.
