

1. Deworming Day (26-10-2018)

The Health Ministry undertook the deworming day campaign across the country to reduce the prevalence of parasitic intestinal worms among children. It is aimed at deworming all preschool and school- age children between the ages of 1- 19 years through the platforms of schools, colleges and Anganawadi centres to improve overall health, nutritional status, access to education and quality of life.

As part of this initiative Mannaniya College NSS Unit also became a part of it. The Kallara Primary Health Centre authorities provided the Albendazole tablets to the nss unit. The Programme was inaugurated by the college principal Sri A.H Badrudeen by distributing the capsule to the first year B.Com students. The Programme Officers distributed capsules to the rests of the students.
