

## **MANNANIYA MATES**

Mannaniya Alumni association was founded in the year 2014. The students who have gathered on March 24, 2014, chose the name "Mannaniya Mates" to the association.

We have even started a Facebook page that concentrates primarily on gathering our alumni who are residing in different parts of the world. It also aimed to let them know about the different matters related to the college and to gather their comments on the same.

This page currently encompasses 1500 members. We have decided to conduct alumni get-togethers on the second Saturday of the month of August every year. So far we could conduct continuously the alumni gatherings for the past six years.

The suggestions from the gatherings and from the Facebook page has led many developmental changes in our college.

From 2018, Mannaniya Mates is a registered organization. After the registration, we have assigned a registration fee of Rs.30 for the new members.

- 1.The alumni have arranged scholarships for the children who show excellence in education.
- 2.We have organized groups who could donate blood and help alumni who are suffering from illness and faced other ill situations.
3. Shameer, the student of our 2010-2013 batch met with a terrible accident was brought back to normal life by this association.
- 4.The organization donated books for the college library and conducted creative interactions with the students.
5. The organization has conducted programs to let the students know about further job opportunities and scope in higher education.
- 6.Renowned alumni of each department conducted classes for the students using ICT Tools.
- 7.We have planted trees in the campus and have also built spaces and park benches for the students.

8.Students who are up to self-employment were led by our alumni who excelled in job training.

9.The organization is giving tokens of appreciation and encouragement for the students who excelled in university-level sports competitions.

10. Students who have reaped awards in State television awards acquired doctorates and rank holders in higher education was also appreciated.

11.The organization has constructed an open-air auditorium for the college.

### **Alumni Activities 2019-2020**
