

NATURE CLUB REPORT 2013-2014

Nature club comprised of 18 students. The first meeting of the club is held on 30.01.2013. A one day camp was conducted on 23.07.2013. The aim of the camp was to clean the campus. This was done with NSS. The other camp was conducted on 26.08.2013. In this camp students were directed for the plantation of organic vegetables. Seeds of Leafy vegetables, ladyfinger and pea climbers were cultivated. These vegetables were taken to college canteen. On 15.08.2013 Independence day was celebrated and career guidance class was given to the students.
