

## ***OZONE DAY OBSERVANCE 2018-2019***

Science club of Mannaniya College celebrated the international ozone day on 18<sup>th</sup> September 2018 at the seminar hall in association with Department of Chemistry, on the focal theme ‘’ Keep cool & carry on -“The Montreal protocol”’.

In 1994 the United Nations general assembly proclaimed, 16<sup>th</sup> September as the International Day for the preservation of the Ozone layer, commemorating the date of signing in 1987, of the Montreal Protocol on substances that deplete the ozone layer. In connection with that a documentary show was held on 18<sup>th</sup> September, entitled as “Ozone: The Protective Umbrella”.

Poster exhibition competition was arranged on the same day based on the focal theme as part of the celebrations by incorporating all the students from various departments of the college. The best poster was recognize with a cash prize.
