

Orphanage Support Programme

Any institution will have to address a mainstream education programme and a complementary practice for quality assurance and achievement of its objectives. Value imbibing and the related philanthropic outlook are path of an educational programme that may contribute to the development of the nation. Hence the underlying principles at work is augmenting values for the benefit of humanity. Based on this the following objectives are formulated. We adopted two orphanages nearby and planned and implemented many programmes for the welfare of the inhabitants. The initiative started in the year 2018.

- Mannaniya Banath orphanage (for girls) Mukkunnam, Kadakkal, Kollam District
- Mannaniya Yatheemkhana (for boys), Pangode, Kallara, Thiruvananthapuram district

Objectives of the practice

- To learn human values
- To inculcate a value system in a modern life
- To develop a protocol of behaviour in a modern society
- To develop societal commitment among the students for the benefit of the poor

Major Activities proposed

- Extension lectures by students and faculty
- Personal counselling and group therapy
- Skill development training
- Counselling classess
- Awareness programmes
- Socially Useful Work Programme (SUWP) –training in flower making, ornament making
- Ethical guidance
- Session on higher education prospects
- Career guidance
- Sports and games training
- Spoken English classes
- Training on computer fundamentals

Flower making – one day workshop

Entrepreneurship development club of Mannaniya College in association with women's study unit of the college organized a flower making workshop for the inmates of the orphanage for girls at Mukkunnam near Kadakkalon 3rd November 2018. The MINT coordinator along with a team of our student trainees of the ED club conducted a demonstration cum practical training session for the women inmates in the age group 10 to 20 Years. The participants were excited and enthusiastic as they happily engaged themselves in the creative activities of the class. Together the girls created an awesome variety of paper and cloth flowers of different hues and texture.
