

## Divyangjan Activity Report 2019-2020

Divyangjan is an association of differently-abled students in this college. Aim of this association is to empower them to live with confidence and courage. For this purpose, our college is trying to adopt a disabled-friendly policy. To achieve this target, the following facilities are provided for the physically disabled students.

- Wheel chairs
- Rails in the staircase
- Ramp for easy access to the main building
- An accessible restroom is designed to accommodate people with physical disabilities.
- Scribes for exams
- A scholarship awareness class were been delivered to students
- Study groups were formed to help these students understand the concepts under study which otherwise they found difficult to grasp within the stipulated class hours, with the help of concerned tutors of respective departments.
- The center frequently conducts counseling programme for providing support to people with disabilities and their parents.
- We also included the physically challenged students in the **OOTTUPURA** scheme, where economically backward students are availing free food from our college canteen.

### **Motivational Classes-2019-2020**

Motivational classes are taken regularly for these students. Dr Dilshad Bin Ashraf, Assistant Professor, Department of Psychology in this college is an expert in disability management. He motivated them to study well and encourage them in the participation of extra-curricular activities. In this meeting the coordinator Smt. Mumthas S, Assistant Professor of Commerce provide awareness about various facilities available to them in this college. Through these regular meetings empower them to live independently and with dignity. Dr. Shiji fazil, Assistant Professor of Chemistry also aware them about the eligible scholarships available to them. S
